MACKENZIE RECOGNIZES BARB MCCULLOUGH AS ASSOCIATE PRINCIPAL

Portland, Oregon – Managing Principal Rich Mitchell announces the recognition of Barb McCullough as an associate principal. “We are excited to recognize Barb McCullough for her valued dedication and successful management of Mackenzie’s Accounting and Human Resources Departments,” Mitchell said.

Barb McCullough began her tenure at Mackenzie in accounting as an accounts receivable clerk, working her way up to accounting manager, then transitioned into human resources (HR). In her current role as Mackenzie’s Director of Human Resources and Administration, Barb McCullough now balances her time leading and managing the workload for the Accounting and Human Resources

Departments. Her tenacious work ethic, care for others, and team-player mentality suited the demands of the HR Department exceptionally. “It is an honor to be recognized as an associate principal at Mackenzie, and I would not have attained this recognition if not for the support and mentoring I’ve received along the way,” McCullough said. “I look forward to my continued daily interactions with employees and the opportunity to work with others as we move our company forward.” Having known McCullough for nearly two decades, Mitchell believes, “Barb has always been a natural problem-solver and people-person, which are proven to be essential qualities of a successful leader.” McCullough holds a Senior Professional in Human Resources (SPHR) certification, and has been with Mackenzie for 19 years.
